History Kecamatan akan bertambah apabila
Camat atau Sekretaris Camat berubah

The screenshot shows a web application interface for managing administrative staff. On the left, a sidebar menu under 'Transaction' includes 'Kotamadya', 'Kecamatan' (highlighted in red), 'Kelurahan', 'RW', 'LMK', 'RT', and 'Dasawisma'. The main content area displays fields for 'No. HP 1 Camat' and 'No. HP 2 Camat' (both empty), followed by 'Nama Sekretaris Camat' (empty). Below this, sections for 'No. HP 1 Sekretaris Camat' and 'No. HP 2 Sekretaris Camat' are shown, each with a single input field containing '01'. A large blue rectangular box highlights the 'History' section, which contains a table header with columns for date, location, address, and contact information, all set to dropdown menus. The table body displays the message 'No data available in table'. At the bottom, it says 'Showing 0 to 0 of 0 entries'. A vertical blue arrow points upwards from the bottom of the 'History' box towards the top of the page, indicating the context of the 'History Kecamatan' heading.

Below these are dropdown menus for 'Bank', 'Rekening Bank', 'Cabang', and 'Atas Nama Bank', also all empty. A large red box highlights the 'History' section, which contains a table with a single row: 'Showing 0 to 0 of 0 entries'. Above the table are filters for 'Start Date', 'End Date', 'Kelurahan', 'RW', 'RT', 'Dasawisma', 'Alamat', 'Ketua Dasawisma', 'No. KTP', 'No. HP 1 Dasawisma', and 'Bank'. A red number '01' is placed next to the 'Atas Nama Bank' field. An annotation with a blue arrow points from the text 'History Dasawisma akan bertambah apabila Ketua Dasawisma berubah' to the top of the 'History' section.
